Stay Safe Online – Prevention-Checklist

General Digital Safety & Cyberbullying Prevention

- Audit Your Privacy Settings
- Document and Block
- Control Your Digital Footprint
- Enable Two-Factor Authentication (2FA)
- Beware of Phishing Links
- Be Cautious on Public Wi-Fi

Mandatory Financial & UPI Safety

UPI & Financial Safety Tips

- Never share your **UPI PIN, OTP, or bank details** with anyone
- Remember: you do **not need to enter UPI PIN to receive money**
- Do not accept **unknown collect/payment requests**
- Always verify the sender before making any payment
- Avoid clicking on **unknown links** related to payments or offers
- Do not use **public Wi-Fi** for banking transaction

Official Reporting Channels

- **National Cyber Crime Portal:** Register official complaints for cyberbullying, fraud, and other cyber offenses at
  https://cybercrime.gov.in/
- **Cyber Crime Helpline:** Call **1930** for immediate official assistance, in cases of financial fraud

Final Thought:

A little Awareness can prevent big problems. Always stay alert, think before you click, and keep your information safe
